COMMENTS:

1. **The organization (OC) will forward some weeks the first info bulletin within with the prices of hotels which are lower than the official prices.**
2. If your team desires to arrive earlier than May 10 or depart later than May 22, your team will be responsible for additional costs, as the OC will only provide various accommodation plans for exactly 12 nights.
3. Please do not book any hotel directly. The OC will handle the reservations and payments with each designated hotel. The OC will send information and map on accommodations.
4. The OC will place a note with English, Turkish and visual aid above each entrée / dish to help each participant make a decision about which entrée / dish to eat.
5. The third hotel which became visited has been afterwards crossed out because of the high financial requirements.
