What is it all about?

We would like to invite young tennis players (12-20 years) to compete against each other in an open tournament (singles, doubles and mixed) The exact mode of play will be decided after entries. The tournament will take three days on occasion of the 6th German deaf youth sports festival. (see attached poster)

For participation in the youth cup there will be no fees to be paid. Only travel and accommodation expenses have to be paid for by the countries.

We would be pleased if you take the chance to get to know the International deaf tennis circus.
