13 Conclusion of my report:

I am glad commitment Armenia Deaf sport federation and Armenia Judo Federation(referees, volunteers ...).

Overall, it is positive to continue with all the proposed events, the athletes were happy with the organization.

To continue and see the future to create a team men, women and kata.

Seeking the next candidate for the European championship, I wait for official confirmation. (Mayor, Minister for Sport, the budget of the organization and dates of site inspections). Maybe Poland.
