Subject: Postponement of 12th European Deaf Handball Championships

Dear EDSO Members,

After cancellation of European Deaf Handball Championships, which should be held from 18th to 26th of July 2020, Croatian Deaf Sports Association took over the hosting of the European Deaf Handball Championship.

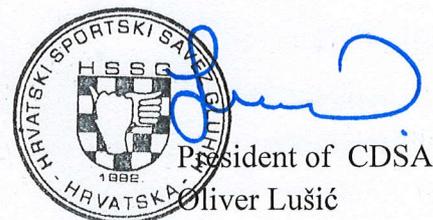

Mentioned Championships should be held in Umag, Croatia, from 8th to 17th of January 2021, but according to Covid-19 pandemics at this moment, Croatian Deaf Sports Association is forced to postpone Championships.

According to ICSD request that due Deaflympics 2021 all competition should be organized until 31st of May 2021, new date of the European Deaf Handball Championship is from 30th of April to 9th of May 2021, and all other information which we provided before (hotel information, location, ...) are still valid.

In case of any change, we will inform you as soon as possible.

We are hoping you will support this suggestion of postponement 12th European Deaf Handball Championships, and that situation about Covid-19 pandemics will be better and that we will be able to organize this competition at term as we mentioned sooner in this letter.

Best regards,

President of CDSA
Oliver Lušić
