1st Europacup Petanque

Bruges - Belgium

13 - 14 Augustus 2023

Introduction:

The Belgian Deaf sport Committee had been planning to organize a Europacup Petanque for many years. Normally, the first edition (for which there were 8 countries registered) would take place in 2020 (together with the organizing club Koninklijke Sporting Kring Doven Brugge for its 90th anniversary) but the Coronapandemie decided otherwise, so also for 2021. The year 2022 was not possible due to already many planned organizations on the occasion of the 100-year anniversary of our federation.

Petanque has been practiced within Belgian Deaf Sport Committee since 1985 in Belgium, mainly in Wallonia (French-speaking Belgium), and since 1989 also in Flanders. Since the beginning there were also many tournaments with clubs from France. On 10.05.1997, the first international meeting for national teams took place against France in Estampuis (BEL), followed by several more including also against Spanish Catalonia since 13.04.2004 and later also with Switzerland (Vaudois).

The organizing club Koninklijke Sporting Kring Doven Brugge has also been a club with always a lot of petanque players since the 1990s. They owe this to their own grounds mated to their venue "Den Arend" where the first match day will be played on 13.08.2023; from 9 am after the opening ceremony; for the 2 titles in "Doubles". On the second day (14.08.2023; from 9 a.m. onwards) we will play on the large grounds of PC De Gulden Kamer where 4 titles in "Precision Shooting" and "Singles" can be won. We would like to thank this club for their cooperation, a cooperation of many years, because many of our deaf players also play in this valid club.

This organization would not have been possible without the cooperation of the above mentioned clubs but also Dovensport Vlaanderen, Belgian Deaf sport Committee (Petanque section), Petanque Federation Flanders and the Belgian Petanque Federation.

But especially the support of Sport Vlaanderen and the City of Bruges is very important for this organization to take place.

Seven countries have registered for this 1st European Cup. The intention is to further promote this sport within the Deaf European Sports World in order to eventually start an official European Championship under the auspices of European Deaf Sport Organization.

The City of Bruges is exceptional as a location to host this event and is a UNESCO World Heritage Site. We therefore wish all participants from Europe as well as the many supporters a great time in this beautiful Bruges!

This event is also a tribute to our late Technical Director Petanque; Mr. Robert Trifin; who performed this task since 1985 until his unexpected death on 16.01.2023.

On behalf of the organization,

President,

Jan Van den Braembussche
