Dzaghkadzor, Armenia

BULLETIN

The Republic of Armenia is located in the South Caucasus. Its current territory is 29 800 km². It is located on an average of 1800 meters above sea level. Armenia borders by Georgia from the north, Iran on the south, Turkey on the West, and Azerbaijan on the East.

Armenia is the first country in the world to adopt Christianity as a state religion in 301 AD. The Armenian Apostolic Church is considered one of the oldest national churches and Christian communities. The spiritual center is the Mother Cathedral of Holy Ejmiadzin. The state language of Armenia is the Armenian which belongs to the Indo-European language family. The Armenian alphabet was created by Mesrop Mashtots in 405. One of the most important symbol of Armenia is the Biblical Mount Ararat, on which the Noah's ark was abandoned after the global flood. Armenia attracts tourists with its unique and ancient architecture, culture, exceptional nature and hospitality.

For all international delegations travelling to the European Deaf Wrestling Championships in Dzaghkadzor, Armenia, the primary arrival airport is Zvartnots International Airport. The airport is located approximately 72 km from and offers numerous direct connections to major European destinations. Upon arrival, accredited participants will be welcomed by the event logistics team. Official transportation will be provided from Zvartnots to the official accommodations and competition venues in Dzaghkadzor via organized shuttle services. This official transport service ensures a smooth, safe, and coordinated transfer for all participating delegations.

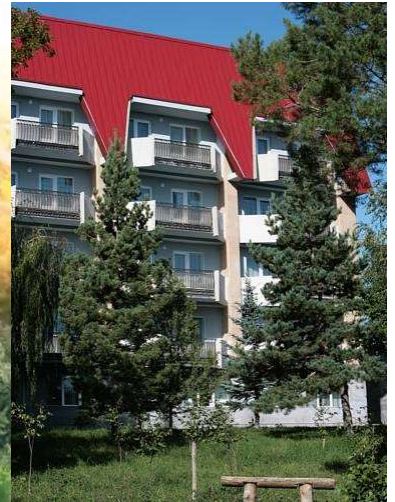

Tsaghkadzor is one of the most famous resorts in Armenia, located in the Kotayk Province, about 60 km north of the capital, Yerevan. It lies at an altitude of around 1,840 meters above sea level, nestled in dense forests, giving the city a mild mountain climate with warm summers and snowy winters. Tsaghkadzor is a vibrant tourist destination year-round. It offers opportunities for family, adventure, and sports-related recreation. In winter, it is filled with skiers and snowboarders, while in summer, tourists enjoy fresh air, forest walks, and mountain views. The renowned medieval Kecharis Monastery, built in the 11th–13th centuries, is located in Tsaghkadzor.

Tsaghkadzor literally means 'valley of flowers' or 'flower canyon' in Armenian. The name of Tsaghkadzor is taken from the name of the nearby Tsaghkunyats Mountains, located to the west of the town.

The high season in Armenia lasts for a long time due to the pleasant climate conditions. Warm days in Armenia start in March and last until late autumn; winter is usually snowless and not long. The high precipitation season is variable.
