12.1. Event Programme Adjustment (reference 5.1)

Due to the high number of registrations received across both age categories, and in order to ensure a safe, youth-appropriate and operationally feasible competition schedule, the originally planned EDYG Swimming event programme has been adjusted.

As a result, the total number of disciplines has been reduced from eighty (80) to forty-two (42) events.

Only selected key disciplines appropriate to the respective age categories shall be conducted.

The adjusted programme supersedes the programme listed in Chapter 5 where applicable. All other provisions of these Technical Regulations remain unchanged.
