INFORMATION

The German Deaf Sports Association is pleased to update you about the EuroDeaf 2015 in Hanover.

website

- First of all we currently update the official website of the event: www.eurodeaf2015.eu. Please find all relevant information there.
- We would be glad to receive the information we need about the "list of 30" players to introduce your team to the world – see here:
<http://www.eurodeaf2015.eu/teams.php?lang=en&nation=ger&natid=6>.
After the accreditation we will reduce the number of players on the website to those who will actually be there. Please send the data and portraits – see attachment! Thanks you!

hotel & transport

- Please let us have the completed travel form as soon as possible.
- Please note that we charge €100 for each team for the transport from airport/central station to the hotel and back on arrival and departure. Transport to training and matches during the EuroDeaf 2015 from the official hotels (like stated in the former sent list) will of course be free of charge.
- In case you have not booked your accommodation in one of the official hotels of the event please let us know as soon as possible. Only for the official hotels free transport is granted. Anyway we will see if we may be able to offer free transport to all of you as soon as we get the respective information.

health insurance

- Please note: There will be NO health insurance for our guests. Make sure that all delegation members took out a respective health insurance policy prior to the event.
- At all stadiums there will be an ambulance on standby for first aid. In cases of severe injuries we will organize transport to the next hospital. This service is free. Any further treatment has to be paid by you.

visa application

- Russia and Ukraine have to apply for a visa. Please complete the attached visa form and send it to Katja Kluttig: k.kluttig@dg-sv.de in order to receive an official invitation which you require for the application procedure.
