Dear all .

On inspection in August 2015, we agreed with Vasyl Sandugei that everyone will be accommodated at the Flora*** Olomouc it's close to the park and the city.

All of our 165 rooms are equipped with en suite bathroom with a shower (or a bathtub) and toilet, telephone, television with satellite reception and Internet access via WiFi.

Our hotel restaurant prides itself on excellent international cuisine and providing top quality gastronomical and catering service.

We have 4 conference rooms set up for your private business meetings. You are also welcome to refresh yourself in one of our two bars.

We cannot forget to mention the Balneo Centre in the Flora Hotel providing complete relaxation service, taking advantage of the beneficial effects of water and its curative effects on our organism. Here our guests will gain strength needed for trips to near surroundings, whether to the Bouzov castle, the Javoříčské caves or just strolling down the historical town centre of Olomouc.

We have preliminarily agreed 100 beds. A large majority of the double rooms and a few single rooms.

We have a special price agreed with the hotel - half board accommodation.

2-bed rooms at a price - the price is 30 EUR per person including breakfast + and dinner is about €15

A total of € 45 / person/Day in a double room with breakfast and dinner ...

In the near future, the end of January you will receive the Bulletin No.1 with all the information, including sports and technical data.

A one-time accreditation fee per person for all participants is € 30.

We believe that in ancient Olomouc, Central Moravia in the Czech Republic in the heart of Europe with all of you will like it.
